Dining with Doggie, Cuisine with Kitty

We have a number of wonderful pet-friendly cafés in our area who are happy to accommodate well-mannered pets and their owners on patio facilities only. Please show them your courtesy by following these suggestions:

1. Government health regulations require pets to remain outside in patio facilities only. Your cafe host will be happy to direct you to the right location.
2. Bring pets that will either stay in a quiet manner on leash or in a small carrier by your table.
3. Occupy your pet with a favorite chew toy while you dine.
4. Don't forget to bring along a portable water bowl just in case the café can't provide one.
5. Please remember when you take your pet in public, you represent all pet owners. Be sensitive to other diners and thank the management! Tell them you saw them on the PetLovers™ Map!
